

WINE E SPA

PRICE STARTING FROM € 1140

Each trip is fully customizable according to your needs. We put at your disposal our deep knowledge of the area, offering you the best solution for your stay.

Val d'Orcia has been awarded the title of "World Heritage Site" by UNESCO. With its green and sinuous hills, with a lonely cypress tree in the middle, or those endless yellow expanses where a few bales of hay seem to rest exhausted you have the impression of immersing yourself in a magical place of absolute relaxation. Medieval castles, ancient villages, charming rural farmhouses, make it the experience in this valley is unforgettable.

1 DAY

Starting at 15 pm Check-in at Adler Resort Spa e visit of Bagno Vignoni

Among rolling hills, the scent of cypresses and steaming pools, regenerating is easy. Nestled in the wonderful landscape of Tuscany, L'ADLER Spa Resort THERMAE it has a unique position which makes it not only perfect to relax, but also point of ideal starting point to get to know the region. Immerse yourself in our beneficial waters and in an environment of extraordinary beauty. You will stay in a beautiful room overlooking the surrounding partner, air conditioning, comfortable seating area at the entrance, LCD satellite TV and private bathroom with hairdryer.

Possibility to use our limousine service

Small and extraordinarily beautiful, the Borgo of Bagno Vignoni is located inside the Natural Artistic Park of the Val d'Orcia. The Borgo of Bagno Vignoni is known mainly for the "Piazza delle Sorgenti", a huge sixteenth-century rectangular basin fed by a pure source of thermal water. From inside the village, walking along a small dirt road, which slopes towards the valley, you can admire the suggestive thermal baths of Bagno Vignoni.

II DAY

Arrive at 11:00 at cellar Le Ripi and visit of Pienza

Private tour with vineyard tour, golden cellar and tasting of five different wines: IGT, Rosso di Montalcino, Brunello di Montalcino, Riserva.
Lunch is prepared by chef Roberto Rossi (from the starred restaurant Il Silene) who offers fresh food every morning, made in his special pasta workshop on the top of Monte Amiata. It also includes cold cuts and cheeses produced by farms and local organic vegetables from our fantastic biodynamic vegetable garden.

{Please inform us in advance of any food allergies / intolerances to allow us to offer the best experience}

Pienza, a small charming village, is widely known as the "ideal" city of the Renaissance, created by the great humanist Enea Silvio Piccolomini, later became Pope Pius II.
The town is characterized by a complex of beautiful and harmonious buildings: the Cathedral, the papal residence or Palazzo Piccolomini, the Municipality, and the enchanting central square. We offer the possibility of a guide that illustrates the wonders of the country.
